

ICON WL ST

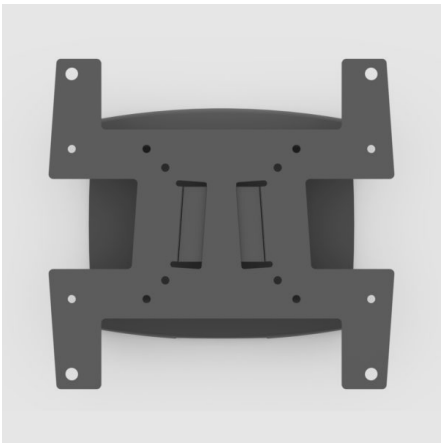

Hard to please?

Making it easy to fine-tune the viewing angle

The SMS Icon WL ST is a small and smart wall bracket that adds a lot of possibilities to your display. It can make your display swivel and tilt in almost any direction. It can carry displays up to 12 kg. The SMS Icon WL ST has a compact design that will keep your display close to the wall – a neat solution for a neat display. Choose black or anthracite grey to match room and equipment.

With VESA 200x200!
